MEMORIAL OF THE LEGISLATURE.

To the President and Congress of the United States:

WHEREAS, The State of Florida and the counties of Dade and Monroe have caused to be dug a sea level canal across the Peninsula of Florida from the waters of the Atlantic Ocean at Miami to the waters of the Gulf of Mexico at Poinciana, saving all but nine miles of the total distance, and,

WHEREAS, It is hoped and expected that this nine mile gap will be completed and opened within the near future, thus establishing a sea level water route across the State of Florida,

THEREFORE BE IT RESOLVED by the Legislature of the State of Florida, that the Congress of the United States of America be and hereby is Memorialized to pass

the necessary legislation looking to the investigation and survey of this cross state waterway, in order to disclose the feasibility and propriety of its being taken over by the Federal Government for improvement, operation and maintenance, to the end:

(1) That the benefits and protection afforded by the Atlantic inside waterway route from Boston south and through the Florida East Coast Canal now terminating at Miami, may be immediately extended across the Peninsula of Florida to the Gulf of Mexico.

(2) That small shipping, in passing from the Atlantic Ocean to the Gulf of Mexico, may be relieved of the necessity of rounding Cape Sable with its attendant dangers and hazards.

(3) That the water route distance for such shipping between points on the Atlantic Ocean and points on the Gulf of Mexico may be shortened.

(4) That this sea level canal which traverses the heart of the Everglades, may be developed to its maximum usefulness in serving as an artery of water transportation for this vast agricultural empire which is about to be opened, and,

(5) That this canal developed to its full capacity, with its outlets to the east and to the west, may be utilized in the draining of thousands of acres of Everglades lands, and the ultimate reclamation of the Florida Peninsula south of the Tamiami Trail.

BE IT RESOLVED FURTHER, That United States Senators Fletcher and Trammell, and Representatives Sears, Drane, Green and Yon, are hereby most earnestly requested to extend their efforts towards the accomplishment of the purpose of this Memorial, and that the Secretary of the State of Florida, be directed to transmit a copy of this Memorial, under the Great Seal of the State, to the President of the United States, to the Congress of this nation and to Florida's Senators and Representatives in Congress.
